EXCEPTIONAL VALUE

We call them "standard" not because they are ordinary, but rather we feel they set the standard for the industry. The 5 models in this series are available in 16', 18', 20' and 22' lengths and are built to the highest quality standards in the industry. Standard features include all-aluminum transoms, asiago vinyl flooring, helm chair with armrests and slider, 12v power point, horn, deluxe steering wheel, rotocast furniture bases, 1-1/4" deck railing, and rear boarding ladder. Additionally there is a long list of available options for you to personalize these "standard" cruise models!

STANDARD CRUISE MODEL

Shown C8518-CM:

Optional items include woven juto tan vinyl floor, gauge package, windshield, tube skirting, and corner casting upgrade and stereo.

Standard cruise rear seating with table.

Standard cruising console & helm chair; shown with optional stereo, gauge package and fuel gauge.

Helm Chair

Standard cruise bow seating.

Optional fish locator/depth finder.

Console cupholder

CRUISE WITH THE BEST

When nothing but the best will do, you won't have to look any further than our Deluxe Cruise models. Available in 16', 18', 20', 22' and 24' lengths, these pontoons have it all. They feature attractive flush to top colored wall panels, accented with chrome logos. The deluxe console with windshield, chrome steering wheel, Bluetooth stereo and gauges give the pontoon a deluxe look. Polished corner castings, stainless cleats and tube skirting, all make these models very elegant looking from top to bottom.

DELUXE CRUISE MODEL

Shown C8522-DLX-RD:

Optional items include champagne top plank & powder coated rails, upgraded Polk stereo, docking lights, helm chair upgrade, extreme tilt steering, upgraded steering wheel, and flip cleats.

Back radius model rear seating shown with optional moveable cupholder.

Deluxe cruise rear seating area & sundeck.

Optional dock lights.

Optional pro series ski tow bar.

Deluxe cruise console with upgraded radio sound system & steering wheel.

Optional livewell/cooler.

Optional stainless boarding ladder & fuel tank.

Optional rear storage cover.

Polk stereo upgrade with subwoofer.

Built-in changing room.

SPORT TRI-TOON MODELS Performance and comfort! Models come in 20', 22' and 24' lengths. They include all the same features as our Deluxe Cruise models and then some. Hydraulic steering, 27 gallon built in fuel tank, performance lifting strakes and an aluminum skinned bottom are included. The 20' Sport Tri-Toon will take a maximum 115 horsepower, the 22' will max out at a 150 horsepower engine, and the 24' will take a maximum of 200 horsepower. The 3rd center 25" pontoon increases stability and weight capacities. Steering responsiveness and a tighter turning radius are very noticeable. Enjoy the pontoon experience with a Sport Tri-Toon.
